Dear Member of Public,

RE: Freedom of Information Request FOI/OPCCN/242

I am writing in connection with your email dated 7 September 2024, in which you requested the following information:

“My FoI request is that I would like to see a copy of your diary.”

After seeking clarification on the 16 September 2024, you specified you would like a copy of the PCC’s diary **“From the election to the end of this month (sept).”**

I have reviewed our records and can advise the following:

Please see the attachment for the PCC’s diary from May to September 2024. Please note some weekend dates have been included where there are relevant diary entries.

Redactions have been made where information is exempt from disclosure under the FOI Act. The following exemptions have been applied:

Section 40(2) of the FOI Act exempts personal data if disclosure would breach any of the data protection principles. This is because we have obligations under the Data Protection Act not to disclose, to a third party, personal information about another person(s).

Where the information held is exempt from disclosure under Section 43(2) of the FOI Act, it has been withheld. Section 43(2) is Prejudice to commercial Interests. Information is exempt if its disclosure would, or would be likely to, prejudice the commercial interests of any person.

Section 43, is a qualified exemption and we are required to consider the public interest, the OPCCN recognises the need for transparency. However, this must be balanced against the public interest in allowing the organisation to protect its commercial information and that of third parties. Section 43(2) is a prejudice based exemption, and there is a public interest inherent in avoiding the harm specified. The OPCCN considers that the prejudice would be

likely to occur and have an adverse effect upon third-parties should this information have been left unredacted.

Yours sincerely

L. Smith
