Dear Member of Public,

RE: Freedom of Information Request FOI/OPCCN/247

I am writing in connection with your email dated 7 January 2025, in which you requested the following information:

"I would like to request the following information:

- 1) Are you using any adapted or neurodivergence-friendly practical tools/resources/assets/materials for neurodivergent individuals who are likely to come into contact with the Criminal Justice System (CJS).**
 - Of the above, what is the intended audience for each adapted tool/resource/asset/material (e.g. directly for neurodivergent young adults (up to 25 years), directly for neurodivergent adults (25 years+), carers, parents, peers, professionals)?**
 - Do you have separate practical tools/resources/assets/materials for victims and perpetrators?**
- 2) What are these practical tools/resources/assets/materials called and are they publicly available?**
- 3) How long have you been using these tools/resources/assets/materials within your service/PCC area?**
- 4) If you are not using any adapted practical tools/resources/assets/materials, do you intend on implementing any in the future? If so – please provide details if you can.**
- 5) Please provide copies and/or links to any available tools/resources/assets/materials that you are using."**

I have reviewed our records and can advise the following:

No information is held within the Office of the Police and Crime Commissioner for Norfolk, as we do not hold information regarding any practical tools/resources/assets/materials that are used by our commissioned services within the parameters of this FOI request.

Yours sincerely
