

OFFICE OF THE POLICE & CRIME COMMISSIONER FOR NORFOLK

ORIGINATOR: Domestic Abuse and Sexual Violence Co-ordinator	DECISION NO. 2017/10
---	-----------------------------

REASON FOR SUBMISSION:	For Decision
-------------------------------	--------------

SUBMITTED TO:	Police and Crime Commissioner
----------------------	-------------------------------

SUBJECT:	Funding to the Pandora Project to deliver domestic abuse support services in West Norfolk
-----------------	---

SUMMARY: <p>The multi-agency initiative to increase the reporting of incidents of domestic abuse in Norfolk has resulted in a growing need for support services to be on hand to respond to need. West Norfolk has experienced increasing demand for service following an increase in the numbers of reported incidents of domestic abuse.</p> <p>Pandora Project has been operating in West Norfolk since September 2013, delivering support services to those who are victims and those who live with domestic abuse. With the increase in demand it is considered essential to increase the existing provision of specialist support currently offered within the areas of Swaffham and West Norfolk by Pandora Project.</p> <p>The Norfolk Police and Crime Commissioner recognises the need for services that support victims and survivors, including children, to cope and recover from domestic abuse. In addition he has identified the need for prevention focussed interventions to be available for those children and young people who have been subjected to, or live with, domestic abuse, helping them to deal with the issues and understand the importance of healthy relationships.</p>

RECOMMENDATION:	It is recommended that the PCC for Norfolk supports the allocation of funding to Pandora Project to deliver domestic

DETAIL OF THE SUBMISSION

1. KEY ISSUES FOR CONSIDERATION:

- 1.1 In the PCC's Police and Crime Plan 2016 he has identified supporting victims of domestic abuse as one of his priorities.
- 1.2 Pandora Project is an independent charity based in West Norfolk. Established in September, 2013 it continues to receive an increasing number of domestic abuse related referrals. The provision of service for victims and survivors including children affected by domestic abuse in Swaffham and West Norfolk that are not considered high risk is limited. The extension of current service provision in the short term is considered essential.
- 1.3 The nature of this specialist support, available following referral from other agencies including General Practitioners, Children's Services and other acute service providers is an essential intervention for those vulnerable victims who have taken the step to disclose abuse. The Norfolk Police and Crime Commissioner has been providing funding to Pandora Project, for the delivery of domestic abuse services throughout 2016.
- 1.4 Having been delivering service to those victims of domestic abuse who are able to seek help to cope and recover, and who are not judged to be at a high risk of harm, in 2015 and 2016 Pandora Project extended its support to the children of those affected by abuse and also those who may be experiencing abusive teenage relationships.
- 1.5 During the period April to September 2016 inclusive, Pandora's Children and Young Persons worker delivered one to one support to 36 children and young persons. In the same period support was delivered to 53 adult survivors of domestic abuse. Evidence found within, and accompanying grant monitoring submissions, indicates further increasing demand across both adult and child focussed services.
- 1.6 The service to be provided by Pandora Project will operate across West Norfolk, and will be provided by a team of specially trained volunteers providing support to adults and supported by employed staff. The child and young person's services will be provided by a specially trained worker employed by Pandora.
- 1.7 A copy of the Grant Agreement with Pandora Project, providing intended outcomes and activities is attached with this document.

2. FINANCIAL IMPLICATIONS:

- 2.1 For period 2016/17 (3 months) £17,697.
For full year 2017/18 - £79,371.
For full year 2018/19 - £82,217. (Optional year conditional on evaluation of previous 15 months service delivery)

The total cost of the service for the full period of this grant 1st January 2016 to 31st March 2018 is £179,285.

3. OTHER IMPLICATIONS AND RISKS:

- 3.1 Sustainability of a necessary service provision in the west of Norfolk is considered essential
