

## OFFICE OF THE POLICE & CRIME COMMISSIONER FOR NORFOLK

***PLEASE ANSWER THE FOLLOWING QUESTIONS:***

***Would you be prepared to pay more for policing in Norfolk ?***

Without a precept rise, there will be no opportunity for investment and we will also have to find significant savings equivalent to approximately 90 officers.

YES

NO

***If you answered yes, which of the following three options would you most favour? (Please tick only one)***

OPTION 1:

AN INCREASE IN THE POLICING ELEMENT OF COUNCIL TAX BY £8 A YEAR

(15p a week on a Band D property)

This would not offer any opportunity for investment in officer numbers or technology, and would still require further savings to be found equivalent to at least 45 officers.

Please turn over for more options

OPTION 2:

INCREASE THE POLICING ELEMENT OF COUNCIL TAX BY £16 A YEAR

(31p a week on a Band D property)

This would maintain the rollout of our 2020 policing model, but only provide very limited opportunity to increase officer numbers or invest in technology.

OPTION 3:

INCREASE THE POLICING ELEMENT OF COUNCIL TAX BY £24 A YEAR

(46p a week on a Band D property)

This would enable significant investment in the frontline with an increase of 40 officers to a total of 1,550. It would provide an opportunity to invest in technology too, helping to improve officer productivity by enabling them to stay out on patrol and work remotely. As well as having 21st century tools for 21st century policing, officers will be able to respond quicker to more incidents and be more visible.
