

OFFICE OF THE POLICE & CRIME COMMISSIONER FOR NORFOLK

Author: Ian Sturgess

DECISION NO. 2016/30

REASON FOR SUBMISSION: Decision required

SUBMITTED TO: The Police and Crime Commissioner

SUBJECT: Pandora Project - Extension of provision in West Norfolk of advocacy, advice and support to female victims of domestic abuse and including children affected by domestic abuse.

SUMMARY:

With the increase in the numbers of reported incidents of domestic abuse it is considered essential to maintain the current provision of specialist support currently offered within the areas of Swaffham and West Norfolk by Pandora Project.

Pandora Project has worked hard to build a good reputation in West Norfolk, working closely with other agencies including police, health visitors, GPs and children's services, raising awareness and providing training. In addition via one to one work and the 'escape the trap' programme, delivered in schools, youth centres and children's centres they have provided support intervention to more than 80 young people in less than 12 months. The work in schools is leading to an increase in requests for child and young person engagement.

The nature of domestic abuse means that some victims require longer term intervention than others, Pandora have been able to provide support for up to one year where necessary. These services are delivered by 1.6 full time equivalent paid staff supported by volunteers. In the previous 12 months of service delivery, Pandora have received 121 referrals, each of these have received support including 54 children and young people.

The Norfolk Police and Crime Commissioner recognises the value of this work. Pandora Project have been receiving funding through the Children and Young Persons fund (£18,968) and £28,815 through a direct grant in (2015/16).

The Commissioner has agreed to grant funding of £11,625 enabling current levels of support to be maintained to 31.12.2016. In order for the service to continue beyond this grant period, Pandora will need to secure new funding and are currently awaiting confirmation of this.

A grant agreement valid for the period commencing 1st October, 2016 – 31st December, 2016 has been put in place. The service will be reviewed in accordance with the terms and conditions of this document along with satisfactory performance levels. Cognisance will also be taken of the availability of other funding support being made available to Pandora Project from other Sources.

RECOMMENDATION: The Police and Crime Commissioner supports the allocation of an additional £11,625 funding to Pandora Project for the period 01.10.2016 to 31.12.2016.

OUTCOME/APPROVAL BY: PCC/CHIEF EXECUTIVE/CHIEF FINANCE OFFICER (Delete as appropriate)

DETAIL OF THE SUBMISSION

1. OBJECTIVE:

- 1.1 This grant is to enable the provision of dedicated specialist support to victims of domestic abuse, and to include children and young people affected by domestic abuse. This includes early intervention.

2. BACKGROUND:

- 2.1 Pandora Project has worked hard to build a good reputation in West Norfolk, working closely other agencies including police, health visitors, GPs and children's services, raising awareness and providing training. In addition via one to one work and the 'escape the trap' programme delivered in schools, youth centres and children's centres they have provided support intervention to more than 80 young people in less than 12 months. The work in schools is leading to an increase in requests for child and young person engagement. In the previous 12 months Pandora have received and responded to 121 referrals.
- 2.2 During the period 1st June 2015 to 30th June 2016, 121 referrals (54 Children and Young People) were made to Pandora Project, all of these received some level of support for up to 1 year.
In addition Pandora engaged with 180 people by delivering training and awareness raising sessions.

3. AREAS FOR CONSIDERATION:

- 3.1 It is essential to maintain service for victims in West Norfolk, Pandora are currently the main service provider. Allowing any gap in service delivery will represent a real and significant risk to a high vulnerability group, extension of the funding will mitigate the risk. A sustainable long term funding solution needs to be achieved prior to the 31st December 2016.

4. OTHER OPTIONS CONSIDERED:

- 4.1 Do not extend funding – this option has been rejected as this would leave vulnerable victims without the support they require
- 4.2 The Opportunity for provision of funding from other funders is currently being pursued by Pandora, they are trying to secure the long term sustainability of their services to victims of domestic abuse in West Norfolk.

5. STRATEGIC AIMS/OBJECTIVE SUPPORTED:

- 5.1 The protection and support of vulnerable victims, reducing the risk of abuse taking place.

6. FINANCIAL AND OTHER RESOURCE IMPLICATIONS:

- 6.1 This support requires the commitment of £11,625 to be approved by the Police and Crime Commissioner

7. OTHER IMPLICATIONS AND RISKS:

- 7.1 Based on the level of current and projected demand funding will need to be secured for the delivery of service post 31.12.2016. This is particularly important as other domestic abuse service providers refer clients into Pandora Project.

The funding will be used for the provision of service by the Lead Domestic abuse councillor in her combined role as Project manager and Coordinator, together with the children and young person's worker. Without the continuation of this funding an immediate gap in service would follow.
